SIDE EVENT AGENDA

BRIDGING THE GAP: STRENGTHENING COOPERATION FOR CLIMATE RESILIENCE IN THE MEDITERRANEAN

17 April 2024, 12:00-12:50, Multifunctional Room 2

Lead: Ankara University National Center for the Sea and Maritime Law (DEHUKAM)

Co-organizers: Hellenic Foundation for European & Foreign Policy (ELIAMEP)

The side event aims to underscore the critical importance of collaborative regional efforts in tackling climate change within the Mediterranean region, with a specific focus on the shared responsibilities of Türkiye and Greece. Through showcasing exemplary initiatives and successful partnerships, the event seeks to highlight the power of cross-border cooperation in safeguarding marine biodiversity, enhancing resilience, and mitigating the adverse impacts of climate change. The event aims to inspire collective action, foster stronger partnerships, and catalyse transformative change towards a more resilient and sustainable future for the Mediterranean environment by facilitating engaging discussions and knowledge exchange among distinguished experts.
