### Tackling Illegal Bottom Trawling in the Mediterranean Sea and Beyond

17<sup>th</sup> April, 09.00-09-50, Multi-functional Room 1

**Lead: Ocean Vision Legal, Med Sea Alliance**

**Co-organizers: Archipelagos Institute of Marine Conservation, MedReAct, Mission Blue, Gallifrey Foundation,**

Prepare to embark on an extraordinary voyage into the depths of Ocean protection, where we'll confront head-on one of the most critical challenges plaguing our seas: Illegal Bottom Trawling. Our distinguished panelists will point out problems, why illegal bottom trawling in the Mediterranean is still happening, to then focus on introducing powerful technical, political and legal solutions to **effectively end illegal bottom trawling** in the Mediterranean Sea and beyond.
